## Current Students

	Number of Units Failed in the in the immediate last Trimester	Maximum Number of Units allowed in the Subsequent Trimester
1st Trimester Students	1	2
All Other Students	0	3
	1	2
	2	2

NOTES:

- Units must be immediately repeated if those units are offered.
- As per Monash policies, students will be deemed not to have made satisfactory progress from the second trimester onwards if:

*they have not passed half the units for which they have enrolled since the commencement of their studies or they have failed the same unit twice.*

Students who have not made satisfactory progress are liable for exclusion from the College.
